

VISIAN ICL DELIVERING THE ultimate in vision PERFORMANCE IN THE MOST CHALLENGING OF CONDITIONS ENCOUNTERED BY THE US MILITARY.

Visian ICL, the innovative alternative to LASIK, has been improving the vision for some of our nation's bravest people in the most hostile of environments.

Having experienced the benefits of the Visian ICL in such extreme conditions, the opinions of over 200 US soldiers treated with the Visian ICL are well worth hearing. As you can see, their opinions are consistent and clear.

US Soldiers rate the Visian ICL¹

If the Visian ICL can meet the demands of soldiers in the US Military, you can imagine it will deliver excellent vision throughout your active, fast-paced lifestyle.
